About the Courses

Fernie tennis coaching courses are organised and run by Charlotte Willis a fully qualified Club Pro 1 coach who holds current insurance and first aid certificates. All equipment is provided free of charge, option to buy 2nd hand and brand new is available. Groups are designed to teach children of all ages and standards the basic mechanics of tennis through fun play and games, age is a guideline, standards are considered too. I am happy to discuss requirements so please don't hesitate to contact me if you need assistance.

We expect all participants to follow instructions and be respectful to coaches and other children.

Are you unsure if your child will like it? We are happy to allow juniors to come and try one session and forms allow for single session bookings. Pre-booking is still required to guarantee a place. Like Fernie Tennis Coaching Facebook page and earn yourself one free group lesson to try it out

Kids will be split groups based on standard and age, to ensure they are comfortable.

Starters 3-5 years A variety of games will be played, aimed at improving balance and hand-eye coordination. The children will learn basic ball skills with and without a racket. The intention is to introduce them to tennis in a fun way without competitive play.
