## CANADIAN SPORT INSTITUTE / PACIFICSPORT / TENNIS BC ATHLETE AND COACH NOMINATION

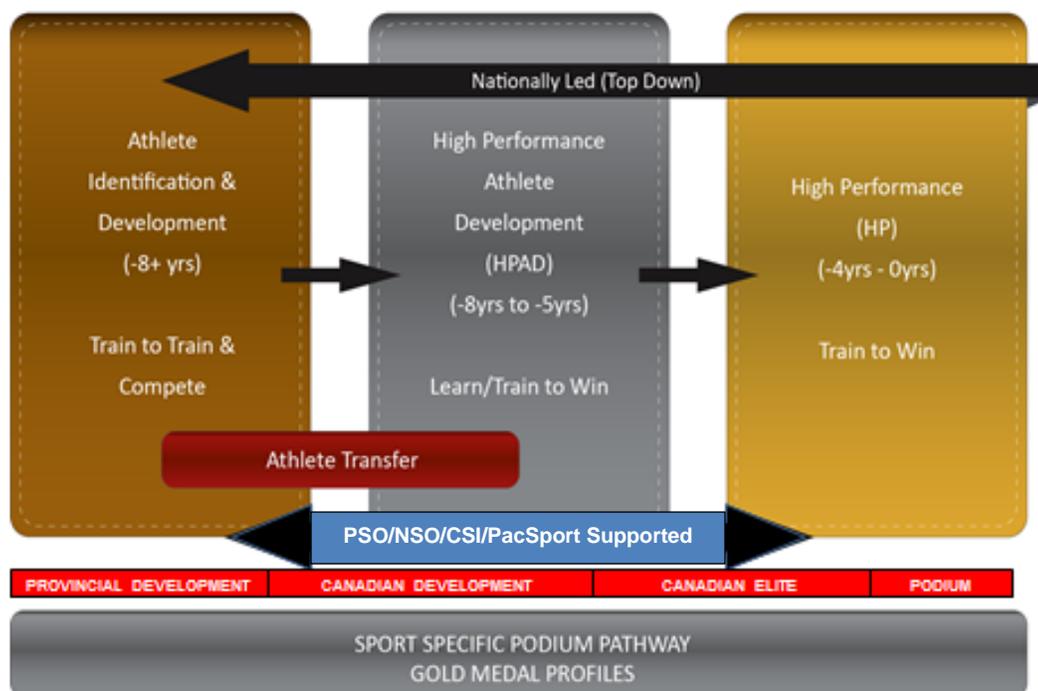

### PURPOSE

The Canadian Sport Institute, through a partnership with the Province of BC and ViaSport, the network of PacificSport Centres, and Tennis BC collaborates to deliver programs and services to place BC Athletes<sup>1</sup> on National Teams, and ensure athletes and coaches have every advantage to win medals for Canada. The partners work jointly to encourage sport excellence and increase podium performances in communities throughout British Columbia.

Canadian Sport Institute / PacificSport athlete and coach support for the Canadian Development and Provincial Development nomination focuses on athletes and teams 5-12 years from the Podium, identified by the sport specific Podium Pathway (see Figure 1 below) and Gold Medal Profile. These athletes and teams represent both the next generation (5-8 years from Podium) and future generations (9-12 years from Podium) of Olympic and Paralympic (or World Championship) medalists. Support may be focussed more toward the future generation (9-12 years from Podium) for some targeted Paralympic sports depending on the quality of the next generation (5-8 years from Podium) of athletes and teams.

### PODIUM PATHWAY CONCEPT OVERVIEW

<sup>1</sup> In general a BC athlete is defined as an athlete born, developed, and/or trained/centralized (for a minimum of three months) in British Columbia.

## **DETAILS**

Through the above partnership, and with the above purpose in mind, Tennis BC may nominate athletes and their coaches who meet specific criteria for Canadian Sport Institute / PacificSport athlete or coach registration. Upon registering, athletes and coaches can engage in enhanced programs, benefits, and selected support services through the Canadian Sport Institute and the network of PacificSport regional centres in BC

Canadian Sport Institute and PacificSport athlete support is divided into [four levels](#) based on performance, each with a slate of designated benefits. Please click on the following for an outline of Canadian Sport Institute [Athlete](#) and [Coach](#) generic eligibility, programs, and benefits. Please see Appendix 1 for an outline of Tennis BC targeted athlete benefits, programs, and services as delivered through Tennis BC

Targeted athletes are nominated by Tennis BC based on the athlete criteria below. Any enquiries regarding the sport-specific selection criteria can be made to Sarah Kadi, [skadi@tennisbc.org](mailto:skadi@tennisbc.org). As a general principle, all athletes are expected to demonstrate evidence of their ongoing performance progression and tracking toward Tennis BCHP program benchmarks to remain targeted. Tennis BC PSO Technical Representative and the Canadian Sport Institute Athlete Development Advisor working with Tennis BC have the final authority over the Canadian Sport Institute nomination process.

The athlete and coach nomination cycle for Canadian Sport Institute / PacificSport / Tennis BC targeting runs May 1<sup>st</sup> - April 30<sup>th</sup> annually, and athletes are selected based on performances from the previous 12 months. Athletes who meet Canadian Development criteria throughout the annual nomination cycle may be added to the Tennis BC targeted athlete list, on a case by case basis, by contacting the PSO Technical Representative.

## **GENERAL CRITERIA**

- 1) For PSO nominations, athletes must be registered and in good standing with Tennis BC as a competitive athlete and meet the definition of a BC athlete.
- 2) In principle, all athletes nominated should have a designated coach who is responsible for planned programming with the coach(es)'s name and email identified on the targeted athlete list.

## **ATHLETE/COACH ENROLMENT**

Once the athlete or coach is nominated, he or she will be notified by Tennis BC and will be provided with information on how to register with his or her local Canadian Sport Institute or PacificSport Regional Centre. A Canadian Sport Institute or PacificSport Athlete Coach Services representative may contact the nominated coach to encourage athlete registration. Athletes and coaches must register with their local centre to initiate the process of receiving athlete or coach support.
