

Tennis Equipment Order Form

Tennis BC is pleased to make tennis equipment packages available to those wishing to make tennis a part of their regular scheduled activities.

Through the use of modified Kids tennis equipment it is easier than ever to transform any space into a mini tennis court.

Why Kids Tennis:

Kids tennis introduces the sport of tennis in a fun and interactive way and ensures immediate success for young players. Using modified tennis balls, racquets, nets and courts, players are equipped to enjoy rallies and learn the fundamentals of the game early on. Skills are developed quickly, allowing for an easy transition to full court equipment.

If you require help assessing your equipment needs, please contact us and we'll be happy to help.
