

## Selection Series Indoor 2022

Due to continuing Covid related challenges, the tournament schedule is very busy, and we are limited in the number of events we have been able to host. The most challenging aspect is the lack of facility options to host events. We have been able to keep the draw sizes to 24 to maximise the number of players in each event. The Provincial Championships will remain a Full Feed In draw of 16 and will include doubles.

### TEAM BC

- The Indoor Selection Series Circuit will provide players an opportunity to represent BC at the 2022 Indoor National Championships providing that each player competes in the closed indoor provincial championships. **Players will be selected using the points race and based on their best performance in 1 of the 2 selection series events plus the closed Indoor Provincial Championships.**
- **Acceptance to the selection series events AND the Provincial Championships will be based on the Rogers Ranking system.**

### TEAM BC SELECTION POINTS RACE

- Players results in 1 of the 2 selection series events **plus** provincial championship results will determine which players will be granted the BC allocated spots for Nationals.
- Selection points will be awarded for singles results only
- The winner of the Junior Closed Provincial Championships will receive an automatic spot to Nationals.
