***Dress code for all functions is smart casual.**

RANKING CRITERIA

To be eligible for a senior national ranking in singles or doubles, a player must compete in two tournaments, one of which **MUST** be the Steve Stevens Senior National Tennis Championships.

This tournament is graded a 700 ITF event for international ranking points; ITF points will be awarded for the main draw, and feed-in consolation rounds.

SENIOR TEAMS

Players who are interested in representing Canada on international teams in 2023 **should play** the Steve Stevens Senior National Tennis Championships, ON: August 21-27, 2022.

It is advisable for those who wish to be considered for a spot on an international team that they participate in both singles & doubles events in their correct age category. The Seniors Committee will then have information on a player's overall tennis ability.

Please be aware that all players competing in a senior international team event must obtain an "International Player Identification Number" known as IPIN: <http://www.itftennis.com/ipin/>

NOTE: An IPIN is NOT required for this event.

Entry Fee: \$155

MATCHES

Main draw singles matches will be best of three tie- break sets. Singles draws will include 3rd and 4th place playoffs as well as a full feed-in consolation, up to and including the quarterfinals, which permit ranking points to be awarded to all players. **It is mandatory to play in the feed-in consolation event.**

All singles consolation matches, and doubles main draw matches will consist of two tie-break sets with ad scoring. At one set all, a 10-point match tie-break will be played to decide the match. **There will be no doubles consolation draws played this year.**

In order to complete the tournament on time, the Seniors Committee reserves the right to alter the scoring format for ALL matches on a daily basis if weather (heat, humidity or rain) makes the playing conditions dangerous for competition, or if matches get backed up creating additional matches for an individual player on a daily basis. This may include the following, in addition to other possibilities: extending the time limit on the 10-minute break; playing a 10-point match tie-break in lieu of a third set for main draw singles matches; playing short sets or suspending play.

In addition, we will be adopting the ITF procedure of a 10-minute break at one set all in main draw singles in all age groups. As in the past, there will be no break at one set all in consolation singles or in doubles play due to the 10-point match tie-break to be played in those events.

TENNIS ATTIRE

White tennis attire is required at VLTBC.

NOTE: If the player is not on court and ready to play at the end of the 10-minute rest break, the player will be penalized with consecutive time violations.

As well, to maintain an equal balance of matches played at each site, the Seniors Committee reserves the right to move matches in any age group to another site. All efforts will be made to give at least one day’s notice of any changes to match locations, whenever possible.

There will be an elimination draw in ALL categories. A category with six entries or less will play a round robin. Categories with six entries only will play a modified round robin with two groups of three players/teams. The winner of each group will play off to win the event. For singles round robins of six players, there will be a play-off for 3/4 and 5/6. If only one or two entries are received, that age group will be combined with the next lower age category, if feasible.

NOTE: It is important that players play in their correct age group “for ranking purposes” for international team selection.

Please be aware that all draws are done randomly, and your opponent(s) may be from your province or your club. Under no circumstances will changes be made based on residence of the players.

SEEDING INFORMATION

For seeding purposes, please submit in writing recent tournament results, ranking information, or any other pertinent information on your entry form.

SURFACE

All matches will be played on hard courts, except for the Over 75, 80 & 85 events which will be played on clay. Please note the potential for the surface to be modified due to weather conditions.

OFFICIAL BALL

Wilson Champ is the official ball for the tournament. New balls will be issued for all 3rd sets.

MATCH SCHEDULE AND STARTING TIMES

The tournament will begin on Sunday, August 21 and end on Saturday, August 27. Matches will start at 8:30 a.m. and all competitors must be prepared to play under lights, if necessary. Most singles draws will commence on Sunday in order to accommodate the feed-in consolation draw. All players must be available to play on all days of the tournament and to not book return flights until late Saturday August 27 as large draw sizes may create a need for late matches on the final day.

ALL PARTICIPANTS MUST BE PREPARED TO PLAY AT THE SCHEDULED MATCH TIME. Due to volume of matches and complexity of scheduling, it will not be possible to give special consideration for start times.

PRIZES

Prize money will be awarded in each age category to the top three finishers in singles and the top two teams in doubles.
