

CLUB MEMBERSHIP POLICIES

Changing Club Category:

Should your club wish to change the category, or sub-category, please be aware of the following:

1. If you are currently a Gold Club and wish to downgrade, please be 100% sure of this decision. As per Tennis BC policy, you will not be allowed to return to Gold Club status for 3 years should you wish to reverse the decision, and the club will again have to qualify under the stated criteria.
2. If you are not currently a Gold Club and wish to become one, please email membership@tennisbc.org to begin the application process for the change.
3. If you feel your club is not in the appropriate category or sub-category at any time, please email membership@tennisbc.org. We are happy to go through your concerns with you in order to make sure your club has the correct membership status.
4. All Gold clubs must submit the entire roster prior to submission of dues. Partial rosters are not permitted. Rosters cannot be submitted that do not include all members regardless of whether members play tournaments or leagues. Gold club rosters must be submitted following all required
