THE TENNIS CENTRE

Tennis Coach

Position Overview

A TTC Tennis Coach is responsible for delivering high-quality tennis programming that supports player development, engagement, and enjoyment of the game. Coaches work with players of all ages and abilities, helping create positive learning environments that align with TTC's coaching philosophy and development framework.

Working closely with the Tennis Director and coaching team, a TTC Tennis Coach delivers lessons that are structured, engaging, and developmentally appropriate. Success in this role is measured by the quality of the player experience, the development of athletes, and the coach's ability to contribute positively to TTC's culture and standards.

This position is ideal for a coach who is passionate about the sport, values continuous learning and professional growth, and enjoys building meaningful relationships with players and families.

Qualifications

- • Tennis Canada Instructor Course or higher
- • Passion for coaching and player development
- • Strong communication and interpersonal skills
- • Ability to create positive, engaging, and inclusive learning environments
- • Strong organizational skills and attention to detail
- • Ability to work collaboratively as part of a coaching team
- • Commitment to ongoing learning and professional development
- • Strong alignment with TTC's values, standards, and approach to player development
- • Comfortable working with players of various ages and skill levels
- • Flexible availability, including evenings and weekends, as required
